This year is the 20th anniversary of Alstonville Plateau Historical Society. To celebrate the occasion we intend holding a function on Saturday 2nd October – more details to follow.

This function will take the form of a brief history of the Society, launching of Ian Kirkland's History of the Society. Please bring a picnic lunch and a coffee van will be available for the purchase of drinks. Inside the Museum will be photos and videos of functions and exhibitions showing the history over the years.

As a member or past member you are cordially invited to the occasion.

We may be restricted by Covid numbers so we would greatly appreciate if you would let us know of your intended attendance by 28 May. So that name tags can be prepared we would appreciate the names of family members or friends attending with you. If numbers are too large for one day we may extend it to the Sunday.

Ian Kirkland
President
